BRITISH LOSS 23,000.

London, April 11.—The War Office issued this afternoon a return of the total British casualties up to April 7. It was as follows:
Killed in action, 211 officers and 1900 men; died of wounds, 48 officers and 465 men; missing and prisoners, 163 officers and 3722 men; died of disease, 47 officers and 1485 men; accidental deaths, 3 officers and 34 men; repatriated invalids, 288 officers and 4934 men. Total, 13,365, exclusive of the sick and wounded now in the hospital. To the War Office returns of casualties must be added the losses of last week and the wounded, aggregating about 10,000 men, making a grand total of upward of 23,000 officers and men put out of action.

Episcopalian Mrs. Dewey.

Washington, April 9.—The report of Mrs. Dewey's change of faith, although admitted neither by the Admiral or herself, has been verified among her intimate friends, many of whom attend St. John's Episcopal Church. Admiral Dewey is very much attached to St. John's. He has held a pew there ever since he has lived in Washington. One of his first deeds after his return from Manila was to secure a pew in his old place of worship. Soon after he was elected a member of the vestry and one of the directors of the Episcopal cathedral fund. It is believed that in deference to his wishes Mrs. Dewey has consented to return to the church she attended before her conversion, first from Presbyterianism to the mystic doctrines of Theosophy and then to the Roman Catholic church.

Australian Federation.

The colonies which have arranged to create a federation under the name of the Commonwealth of Australia have sent delegates to London to pass the measure through the Imperial Parliament. The colonies which have agreed to federate are: Queensland, New South Wales, Victoria, South Australia and Tasmania. New Zealand and West Australia are not federating colonies. The Federal Bill has been drawn with great care, and is undoubtedly a very able and comprehensive measure. It has been considered by every interest involved, and has been approved by a direct referendum to the people in all the colonies which have agreed to federate.—New Zealand Herald.
